Luna Parc - Ricky's Home

Meet Ricky Boscarino. He's from New Jersey in the U.S. He's a **jewelry artist** and a **potter**. Ricky's house is in the country. It's nice, but it's different. His **art studio** is in his house - his dream house. Ricky lives in the house, but he also makes many cool things there. His house is small and has a lot of **color** in it. It has a

kitchen, a living room, an art studio, and a big bathroom. There's a lot of art in every room. Even the windows have pictures in them! There's so much to see. It's like a **museum**.

The house has a big yard and a garden, too. The yard has many **sculptures** in it. They're big and small and very colorful. What's your home like?
